What would you see as your main gifts?

How would you define your general theological position?

What is the gospel?

Summarize in a few words your position on:

- the authority of Scripture
- the work of the cross

In your own words, how do you understand the doctrine of predestination and what view do you personally hold on this doctrine? (e.g. God's sovereignty vs. man's responsibility, free will, who are the elect, etc.)

A group of people are talking and invite you to answer a question they have been trying to figure out. The question they are trying to answer is what role does prayer have in the Christian life if you preach the sovereignty of God? What would be your answer for them?
